Lois K. Lee<sup>1,2</sup>

**Correction to:** *Inj Epidemiol* 7, 29 (2020)  
<https://doi.org/10.1186/s40621-020-00248-z>

After publication of this supplement article (Lee 2020), it was brought to our attention that there is an error in the last sentence.

The sentence currently reads:

Because our goal is not the “moon,” but for our children to leave in a world that is Injury Free.

The sentence should read:

Because our goal is not the “moon,” but for our children to live in a world that is Injury Free.

This has now been included in this correction article.
